

Ref: AW14420

Web Designer, Forex Company, Limassol

Are you an experienced Web Designer with a keen interest to work in the Forex Industry? If the answer is yes, we are seeking a Web Designer to be based in Limassol Cyprus.

We are looking for a candidate with the following skills:

- Hand-coding accessible (X) HTML/CSS designs
- Creating outstanding designs for online/digital projects utilising Photoshop & Illustrator
- Overseeing the full design project life cycle from conception to launch.
- Understanding and developing design briefs.
- Brainstorming new design ideas and mocking up working prototypes.
- Professionalism
- MUST be eligible to work in Cyprus

The main duties within the role will be:

- As a Web Designer you will be involved in the complete design process from concept generation through to site launches
- Drawing up detailed website specifications
- Designing sample page layouts including text size and colours
- Designing graphics, animations and manipulating digital photographs
- Registering web domain names and organizing the hosting of the website
- Presenting initial design ideas to the client
- Coding using a variety of software
- Working with different content management systems
- Designing the website's visual imagery and ensuring it is in line with company branding policy
- Proofreading content and grammar and making changes where necessary
- Editing content, debugging code and re-designing web pages

If you feel that this is the role for you apply today for an immediate interview.

Due to the high volume of applications we receive, only shortlisted candidates will be responded to.

To apply for this position, please email your CV to Adele Weeks, adele@grsrecruitment.com quoting the above job reference or call +357 25 342 720 for further information.
