PHP DEVELOPER - LEADING IT COMPANY - IT - LIMASSOL – CYPRUS- AP14759

Would you like to work at the cutting edge of technology on sophisticated, niche security products working for an international company's newly established office in Limassol, Cyprus? Our client is seeking to hire a dynamic PHP Developer to operate at the highest levels within their field. This is an excellent opportunity to join a high growth organisation and excel your career in technology.

MAIN REQUIREMENTS:

- BSc/MSc in Computer Science or any other related field
- At least 4 years of software development experience in PHP
- Demonstrable knowledge of web technologies including HTML, CSS, Javascript, AJAX etc
- Experience within the Linux environment
- Extensive knowledge in Yii and Symphony frameworks
- Creative problem solving skills
- Independent and self-motivated
- Adaptive and communicative
- Excellent written and verbal skills in English

Due to the high volume of applications we receive, only shortlisted candidates will be responded to.
