

Database Administrator – Cyprus or Greece

Reference Number: DBA1022

The Role:

We are looking for an enthusiastic database expert to join our team! If you are a self-driven professional who has mastered PostgreSQL or MS SQL, is familiar with AWS services and passionate about learning, automating, innovating, and working in a highly collaborative environment, we'd like to hear from you.

The main responsibilities of the position include:

- Manage databases on premises as well as on cloud: daily support, performance improvements, backups, and replication
- Handle migration of large data sets between databases
- Provide technical direction and guidance on DB configuration
- Effectively collaborate with all departments to achieve operational and project goals
- Work with information security team to maintain security and manage access rights and compliance of the databases
- Recommend and implement emerging database technologies

Main requirements:

- BSc/MSc in Information Technology or any other relevant field
- Solid experience of over 3 years in PostgreSQL / Redshift and/or MSSQL
- Knowledge of MySQL, Oracle, MongoDB / DocumentDB, or DynamoDB is considered a plus
- Strong knowledge of AWS RDS and AWS non-RDS databases
- Knowledge of other cloud environments (Azure, Oracle Cloud, MongoDB Atlas) is considered a plus
- Good knowledge of Terraform
- Clear understanding of high-availability technologies in databases
- Proficiency in writing and optimizing SQL statements
- Solid knowledge of Linux and Windows systems
- Proficiency in writing Shell scripts
- Good understanding of DB tuning
- Strong troubleshooting skills
- Ability to proactively identify areas that need updates, security improvements, or planned maintenance
- Ability to communicate effectively

Benefit from:

- Attractive remuneration package
- Private health insurance
- Corporate pension fund
- Food allowance
- Intellectually stimulating work environment
- Continuous personal development and international training opportunities

Type of employment: Full time

Location: Cyprus or Greece
