

**ALEXANDER
COLLEGE**
CYPRUS

Academic position in Computer Science (Lecturer or Assistant Professor, Full-Time and Part-Time)

Location: Alexander College, Larnaca

Alexander College is seeking to recruit passionate and dedicated **full-time and part-time** lecturers to join our engaging **Computer Science** program and team. We are looking for individuals with expertise in **Software Engineering** and/or Artificial Intelligence or related fields to inspire and educate the next generation of technology professionals. Successful candidates can expect a significant reduction in their teaching load from the first year of their employment.

Requirements

- **PhD in Computer Science or Software Engineering** or a closely related field.
- Proven **teaching record** in Computer Science.
- Expertise in **Artificial Intelligence, Software Engineering**
- **Research portfolio in the disciplines** with evidence of academic publications.
- Experience using **online teaching platforms** and digital learning tools.

Key Responsibilities

- Deliver high-quality lectures and actively engage students in the learning process.
- Assess and evaluate student performance effectively.
- Contribute to curriculum development and academic program enhancement.
- Participate in relevant to the field administrative duties
- Engage in research activities and contribute to academic publications.
- Support and contribute to community and industry engagement initiatives

Former Teaching Experience:

For the rank of Lecturer substantial proof of competence in teaching and research is required.

For the rank of Assistant Professor at least 3 years of continuous academic and research experience in Higher Education Institutions is required.

Application Process

Interested candidates should submit the following:

- **Letter of interest**
- **Curriculum Vitae**
- **Proof of qualifications**

Please send your application to vacancy@alexander.ac.cy
