Your Impact

- **Shape Strategy:** Define and prioritize card product roadmap aligned with market trends and stakeholder input.
- **Drive Innovation:** Develop business cases for new products/features using data and insights.
- **Lead Execution:** Coordinate cross-functional teams to deliver strategic initiatives.
- **Customer & Stakeholder Focus:** Understand needs, solve problems, and design scalable solutions.
- **Data-Driven Decisions:** Use analytics to guide proposals and validate outcomes.
- **Stay Ahead:** Monitor industry trends and recommend innovations.
- **Collaborate:** Work closely with internal teams and build external ecosystems to support growth.

What We're Looking For

 Bachelor's degree in Computer Science, Information Systems, or related field. Master's degree in related field is an advantage.

 Ideally 5 years of managerial experience relevant to technology and transformation is required, although candidates with less experience are also encouraged to apply.

 Experience in cards or fintech is a strong plus

 Excellent communication in Greek & English

 Strategic, analytical - independent thinking, and collaborative mindset
