

## **AXIS Regional Academy Ltd**

AXIS Regional Academy Ltd was established in Cyprus in 2007 as a Regional Academy for the Cisco Networking Academy Program. Since then, it has evolved into an **Academy Support Centre (ASC) and Instructor Training Centre (ITC)**.

AXIS's mission is to **support, monitor and promote** the Cisco Networking Academy Program and as a Cisco Partner we provide training and support services to Cisco Academies in Cyprus. The organization acts as the axis for the Cisco Networking Academies in Cyprus, providing program coordination, training, administration support and promotion of the Program.

We are currently looking to work with **instructors in Nicosia** (afternoon classes – **schedule to be agreed**) to teach basic Computer Science concepts and programming to 11–15 year old children. **We'll be providing all material and equipment.**

### **Required skills:**

- Computer Science or related degree
- Excellent knowledge of HTML, CSS and Python.
- Very good command of the Greek and English Language

### **Desirable skills:**

- Experience working with children

**Remuneration:** €20-€35 per hour depending on experience
